## UnitedHealthcare Dual Complete Choice (Regional PPO SNP)

As a member of the plan you get additional supplemental benefits not covered by Original Medicare. To get the most out of your additional benefits choose a network provider. You can find network providers online. You can also call Customer Service to help you find a network provider, or you can request to receive a paper copy.

Please see Chapter 4 of the Evidence of Coverage for details about these additional plan benefits.

Before contacting any of the providers below you must be fully enrolled in the plan.
